

Stressless®

## BLOOM

Textured fabric with a touch of nature.

Bloom is a contemporary woven fabric with a distinctive appearance, achieved by blending a variety of coloured yarns and weaving techniques. The textured surface and interplay of colours are reminiscent of rock and forest floors, adding a touch of nature to your home. The colour selection complements leather and plain fabrics beautifully. Bloom is crafted with a high percentage of recycled polyester, is low in maintenance and can withstand hard wear.

<b>ABRASION (MARTINDALE)</b> (Hard wear domestic use 25.000)	78.000
<b>PILLING 5</b>	scala 1-5
<b>LIGHT FASTNESS 5</b>	scala 1-8

### Fabrics

We are uncompromising when it comes to fabric quality, and we cooperate with suppliers that manufacture in accordance with strict quality and environmental requirements. If correctly maintained, the fabrics we have selected will help give the furniture a long life. All our upholstery fabrics meet and exceeds the requirements of mobelfakta.no for Hard Wear. To meet Hard Wear requirements, the fabric must pass international tests for durability, light fastness, pilling resistance, fire safety and colour fastness.

Tested in accordance with ISO 105-B02 (Light fastness) EN-12947-2, Martindale (wear test), and with ISO 12945-2 (pilling) and ISO 105x12 (rubbing/dye, wet and dry) and EN 1021-1 (Fire safety test).
