2017-06-22

Marianne Strand Valderhaug
Head of Department

Notified Body No.: **0575**

DNV local office:
Klaipeda

Aleksandr Jegorov
Surveyor

The Certificate is subject to terms and conditions overleaf. Any significant changes in design or construction of the product, or amendments to the Directive or Standards referenced above may render this Certificate invalid. The product liability rests with the manufacturer or his representative in accordance with Council Directive 96/98/EC, as amended. The Mark of Conformity may only be affixed to the product and a Declaration of Conformity may only be issued when the production/product assessment module referred to in the council directive, is fully complied with.

Certificate No.: MED-B-7832
Item No.: A.1/3.21
Job Id.: 344.1-003580-1

Product description

"Mattress protection cover - 10 mm"

Composed from polyester fabric material with density of 185g/m² and polyester wadding filling material with density of 280g/m².

Application/Limitation

Approved for use throughout the accommodation as not readily ignitable bedding component.

Each product is to be supplied with its manual for use and maintenance.

Type Examination documentation

Test report No. 102010.50/12.006 dated 27 February 2012 from SINTEF NBL AS, Trondheim, Norway.

Tests carried out

Tested according to IMO 2010 FTP Code part 9.

Marking of product

The product or packing is to be marked with name of manufacturer, type designation, fire technical rating, the MED Mark of Conformity and USCG approval number if applicable (see below).

Mark of Conformity

The manufacturer is allowed to affix the Mark of Conformity  according to Article 11 in the Council Directive 96/98/EC on Marine Equipment and shall issue a Declaration of Conformity, only when the module D or E or F of Annex B in the same directive is fully complied with.

Module D: The quality system for production and testing shall be approved by the Notified Body.

Module E: The quality system for inspection and testing shall be approved by the Notified Body.

Module F: Compliance of the products to type as described in this EC Type-Examination Certificate must be verified by the Notified Body who also shall issue a Certificate of Conformity.

USCG Approval

An U.S. Coast Guard approval number will be assigned to the equipment when the production module has been completed and will appear on the production module certificate (module D, E or F), as allowed by the "Agreement between the United States of America and the EEA EFTA states on the mutual recognition of certificates of conformity for marine equipment" signed 17 October 2005.
